

**Curriculum Vitae**  
**MARLYN A. ALLICOCK**

**CURRENT APPOINTMENT**

Assistant Professor  
Department of Health Promotion and Behavioral Sciences  
The University of Texas Health Science Center at Houston  
School of Public Health in Dallas  
5323 Harry Hines Blvd, V8.112  
Dallas, Texas 75390-9128  
Tel (214) 648-1041 fax (614) 648-1081  
e-mail: [Marlyn.A.Allcock@uth.tmc.edu](mailto:Marlyn.A.Allcock@uth.tmc.edu)

**Center Affiliation**

*Member*, Harold C. Simmons Comprehensive Cancer Center, Population Science and Cancer Control Program, Dallas, TX, (March 2013-Present)

**A. BACKGROUND**

**A.1. EDUCATION**

- 1996: Bachelor of Arts, Sociology & Spanish, Trinity University, San Antonio, Texas
- 2000: Master of Public Health, Health Behavior, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, Chapel Hill, North Carolina
- 2006: Ph.D., Health Behavior, Gillings School of Global Public Health, University of North Carolina at Chapel Hill, Chapel Hill, North Carolina
- 2006: Postdoctoral Fellow, Cancer Control Education Program, UNC Lineberger Comprehensive Cancer Center, Chapel Hill, North Carolina

**A.2. AWARDS**

- 2007-2009: Research Supplement to Promote Diversity in Health-Related Research, Loan Repayment Program, NIH (Competitively Awarded)

- 2003-2007: Ruth L. Kirschstein National Research Service Award, National Cancer Institute, NIH (Competitively Awarded)
- 2005-2004: UNC-Chapel Hill Annual Graduate School Recognition
- 2005-2004: North American Division, SDA, Regional Scholarship
- 2004: UNC-Chapel Hill Graduate School Travel Award
- 2004: JoAnne Earp Travel Award
- 2002: UNC-Chapel Hill Minority Presence Fellowship

### **A.3. PROFESSIONAL EXPERIENCE**

- 2013-present     Assistant Professor (tenure-track), Health Promotion and Behavioral Sciences, The University of Texas Health Science Center at Houston (UTHealth) School of Public Health in Dallas
- 2013-present     Adjunct Assistant Professor, Division of Behavioral & Communication Sciences, Department of Clinical Sciences, University of Texas Southwestern Medical Center, Dallas, Texas
- 2013-present     Adjunct Assistant Professor, Nutrition, Gillings School of Global Public Health, The University of North Carolina at Chapel Hill, Chapel Hill, North Carolina
- 2008-2012        Research Assistant Professor, Nutrition, Gillings School of Global Public Health, The University of North Carolina at Chapel Hill, Chapel Hill, North Carolina
- 2010-2012        Faculty Director, The University Cancer Research Fund's Health-e-NC Core Project, Lineberger Comprehensive Cancer Center, The University of North Carolina at Chapel Hill, North Carolina
- 2002-2003        Co-Director, Communications for Health Applications and Interventions (CHAI CORE), UNC Clinical Nutrition Research Center & Lineberger Comprehensive Cancer Center, The University of North Carolina at Chapel Hill, Chapel Hill, North Carolina

### **B.1.b. Publications (Under Review)**

1. **Allicoock M**, Kendzor D, Sedory A, Gabriel K, Swartz M, Thomas B, Rivers A. (under review). A Pilot and Feasibility Mobile Health Intervention to Support Healthy Behaviors in African American Breast Cancer Survivors. *Journal of Physical Activity and Health.*

1. Callendar L, Driver S, Allicock M, Frehlich-Grobe K, & Petrey L. (under review). Traumatic Brain Injury Healthcare Utilization: Examining the Impact of Race and Insurance. *Journal of Health Trauma Research*.

### **B.1.c. Book Chapters**

1. **Allicock, M.**, Campbell, M., & Walsh, J. (2011). Tailoring Health Interventions: An Approach for working with African American churches to reduce cancer health disparities. In Handbook of African American Health: Social and Behavioral Interventions. Springer Science+Business Media
2. **Allicock, M.**, Resnicow, K., Campbell, M., & Hooten, E. Religion, Spirituality, and Prevention of Illness. (2012). In APA Handbook of Psychology, Religion, and Spirituality.
3. Ernst, D., **Allicock, M.** & Campbell, M. (2012). Implementing behavioral change for blood pressure control at the provider level: Applying Motivational Interviewing. In Nutrition, Lifestyle Factors, and Blood Pressure.

### **B.1.c. Published abstracts and presentations, peer reviewed (lead author/presenter)**

#### ***INTERNATIONAL***

1. Sulzer SH, Haynes-Maslow L, **Allicock M**, Carpenter W. Linking Faith and Complementary Therapies in Cancer Care for African-Americans. (July, 2016). Oral Presentation. Accepted for the Third ISA Forum on Sociology, Vienna, Austria.
2. **Allicock M**, Johnson, L, Kaye L, Belle D, Phillips R, Cherry M, & Hommel M. (June 2014). Adapting Peer Connect for African American breast cancer survivors and caregivers: A train-the-trainer model using motivational interviewing. Oral Presentation at the International Conference of Motivational Interviewing, Amsterdam, Netherlands.
3. **Allicock M**, Golin C, Grodensky C, Kaye L, Blackman L, & Thibodeaux H. (June 2014). Can a Motivational Interviewing-based safer sex program for people living with HIV be adapted for peer delivery?: Results from a pilot training. Oral Presentation at the International Conference of Motivational Interviewing, Amsterdam, Netherlands.
4. **Allicock, M.** Carr, C., Johnson, L., Gellin, M., Kaye, L., & Alick, C. (June 2012). Motivational Interviewing by peers: a pilot study for supporting cancer survivors. Oral Presentation at the International Conference of Motivational Interviewing, Venice, Italy.
5. **Allicock M**, Campbell M, Leone L, Carr C, Johnson L, Armstrong-Brown J, & Resnicow K. (June 2011). Results of a Fruit and Vegetable Intervention Implemented by African-

American Churches. Oral presentation at the International Society for Behavioral Nutrition and Physical Activity 2011 Meeting, Melbourne, Australia.

6. Leone L, **Allicock M**, Carr C, Walsh H, & Campbell M. (June 2011). Physical activity results of a church-based tailored intervention among older African Americans. Poster presentation at the International Society for Behavioral Nutrition and Physical Activity 2011 Meeting, Melbourne, Australia.
7. Leone L, **Allicock M**, & Campbell M. (June 2011). Do obese women only exercise when they want to lose weight? Poster presentation at the International Society for Behavioral Nutrition and Physical Activity 2011 Meeting, Melbourne, Australia.
8. Leone L, Campbell C, **Allicock M**, & Pignone M. (June 2011). Targeted exercise messages for obese women: an online message testing study. Oral presentation at the International Society for Behavioral Nutrition and Physical Activity 2011 Meeting, Melbourne, Australia.
9. **Allicock M**, Campbell M, Carr C, Kahwati, L, Kingsinger L, & Orr M. (June 2010). "Taking the cotton from your ears and putting it in your mouth": Training Veterans to use Motivational Interviewing for Obesity Treatment. Oral presentation at the International Conference of Motivational Interviewing, Stockholm, Sweden.
10. Campbell MK, Carr C, **Allicock MA**, Biddle A, Amamoo A, & Sandler R. Efficacy and cost effectiveness of multiple risk factor tailored interventions (September 2009). Oral presentation at the XXIII Annual Conference of the European Health Psychology Society, Pisa, Italy.
11. **Allicock M**, Campbell M, Carr C, Resnicow K, Kingsinger L, Kahwati L, Thibodeaux H, & Williams A. (2009, June). Using Motivational Interviewing and Peer-to-Peer Support for Improving Nutrition Behaviors. Oral presentation at the International Society for Behavioral Nutrition and Physical Activity 2009 Meeting, Lisbon, Portugal.
12. Campbell M, Carr C, Weiner B, **Allicock M**, Kingsinger L, & Kahwati L. (2009, June). Dissemination of computer-tailored interventions in the US Veterans Administration Health System: MOVE\*VETS. Oral presentation at the International Society for Behavioral Nutrition and Physical Activity 2009 Meeting, Lisbon, Portugal.
13. Ries AV, **Allicock M**, Carr C, Ko L, & Campbell M. (2009, June). Use of community resource information by participants in an individually-tailored intervention. Oral presentation at the International Society for Behavioral Nutrition and Physical Activity 2009 Meeting, Lisbon, Portugal.
14. **Allicock M**, Campbell M, Carr C, Resnicow K, & Gizlice Z. (2009, April). Dissemination of the Body & Soul Program. Oral presentation at the 30<sup>th</sup> Annual Meeting of the Society of Behavioral Medicine, Montreal, Canada.
15. Ko L, **Allicock M**, Campbell M, Carr C, Dundon M, Elliott T, Valle C, & Armstrong J. (2009, April). Correlates of Fruits and Vegetable Consumption among US Veterans. Poster

presentation at the 30<sup>th</sup> Annual Meeting of the Society of Behavioral Medicine, Montreal, Canada.

16. Campbell M, **Allicock M**, Carr C, Resnicow K, Gizlice Z, & Williams A. (2008, August). Researching National Dissemination of the Body & Soul Program. Poster presentation at the First International Union Against Cancer (UICC), World Cancer Congress, Geneva Switzerland.
17. **Allicock M**, Campbell M, Carr C, Resnicow K, & Thibodeaux H. (2008, June). Adapting Peer Counseling using Motivation Interviewing (MI) for Two Populations to Influence Diet. Oral presentation at the First International Conference on Motivational Interviewing., Interlaken, Switzerland.
18. Campbell M, Resnicow K, **Allicock M**, Carr C, & Leone L. (2008, May). Tailoring interventions for African American populations. Oral presentation at the 7<sup>th</sup> Annual Meeting of the International Society for Behavioral Nutrition and Physical Activity, Banff, Canada.
19. **Allicock M**, Barlow J, Campbell MK, Meier A, & Carr C. (2007, September). Disseminating evidence-based research in faith-based communities: Assessing implementation and fidelity. Oral presentation at the 8<sup>th</sup> Advances in Qualitative Methods Conference, Banff, Canada.
20. Campbell M, Resnicow K, & **Allicock Hudson M** (2007, June). Approaching research with dissemination in mind. Oral presentation at the 19<sup>th</sup> IUPHE World Conference, Vancouver, Canada.
21. **Allicock Hudson M**, Campbell M, Carr C, & Resnicow K. (2007, June). Determinants of fruit and vegetable intake among African American church members in the Body & Soul Program. Oral presentation at the 6<sup>th</sup> Annual Meeting of the International Society for Behavioral Nutrition and Physical Activity, Oslo, Norway.
22. Leone L, Campbell M, & **Allicock Hudson M**. (2007, June). Active gaming for physical activity promotion in diverse populations. Oral presentation at the 6<sup>th</sup> Annual Meeting of the International Society for Behavioral Nutrition and Physical Activity, Oslo, Norway.
23. **Allicock Hudson M**, Campbell MK, & Carr C. (2004, May). *Capturing the spirit: Assessing the transferability of motivational interviewing*. Oral presentation at the 10<sup>th</sup> International Qualitative Health Research Conference, Banff, Alberta, Canada.

## **UNITED STATES**

1. Kindratt TB, Atem F, Dallo FJ, **Allicock M**, Balasubramanian B. (2018). The Influence of face-to-face and e-mail patient provider communication on breast cancer screenings. Poster at Research Beyond Boundaries, UT School of Public Health, Dallas, TX.
2. **Allicock M**, Carpenter W, Haynes-Maslow L, Vines AI, Johnson, L, Belle D, Phillips R, & Cherry M (June 2017). A Community-Academic Partnership to Deliver a Motivational

Interviewing-based Peer Support Program: Success and Challenges. Oral Presentation at the International Conference of Motivational Interviewing, Philadelphia, PA.

3. **Allcock M**, Valle C, & Thibodeaux H. (2014). Using Facebook for Health Promotion: A failure to connect. Poster presentation at the Society of Behavioral Medicine 35<sup>th</sup> Annual Meeting & Scientific Sessions, Philadelphia, PA.
4. **Allcock M**, Johnson L, Hommel M, & Kaye L. (2014). Feeling Left Out: African American Breast Cancer Survivors' and Caregivers' Perspectives on their Psychosocial Needs for Coping. Poster presentation at the Society of Behavioral Medicine 35<sup>th</sup> Annual Meeting & Scientific Sessions, Philadelphia, PA.
5. James A, McCray M, Muthukrishnan M, & **Allcock M**. (2014). Implementing telephone-based counseling to promote colon cancer screening in a low income population. Poster presentation at the Society of Behavioral Medicine 35<sup>th</sup> Annual Meeting & Scientific Sessions, Philadelphia, PA.
6. Lewis MA, **Allcock M**, Deal A, Hersey J, Kahwati L, Munoz B, Johnson L, Bann C. (2013). Weight loss, behavior change and support among couples. Poster presentation at Society of Behavioral Medicine 34<sup>th</sup> Annual Meeting & Scientific Sessions, San Francisco, CA.
7. Valle G, **Allcock M**, Mayer D, Cai J, & Tate D. (April 2012). Feasibility of a FaceBook-based intervention for young adult cancer survivors: The Fostering Improvement through Networking and Exercising Together study. Poster presentation at Society of Behavioral Medicine 33<sup>rd</sup> Annual Meeting & Scientific Sessions, New Orleans, LA.
8. Alick C, **Allcock M**, Carr C, Johnson L, Resnicow K, & Campbell M. (April 2012). Lessons Learned from Implementing Body & Soul: A Evidence-Based Nutrition Intervention in African American Churches. Poster presentation at Society of Behavioral Medicine 33<sup>rd</sup> Annual Meeting & Scientific Sessions, New Orleans, LA.
9. Valle CG, Campbell MK, Mayer DK, Cai J, **Allcock M**, & Tate DF. (2011, April). Physical activity in young adults: a signal detection analysis of Health Information National Trends Survey 2007 data. Poster presentation at Society of Behavioral Medicine 32<sup>nd</sup> Annual Meeting & Scientific Sessions, Washington, DC.
10. Leone L, **Allcock M**, Pignone M, Turnbull L, Gizlice Z, & Campbell M. (February, 2011). Cancer Screening Patterns by Weight Group and Gender for Urban African-American Church Members. Poster presentation at the Minority Study Caucus, 32<sup>nd</sup> Annual Minority Health Conference. University of North Carolina at Chapel Hill.
11. **Allcock M**. (2010, November). Working with African American Churches to Reduce Health Disparities. Oral presentation at the American Heart Association, Scientific Sessions 2010, Chicago, Illinois.

15. Rowland G, **Allicock M**, Campbell M, Williams A, & Carr C. (2008, January). Faith-based Partnerships for Health Promotion. Oral presentation at the Taking Action for Healthy Eating and Active Living Annual Conference, Sacramento, CA.
16. Charles W, Campbell M, **Allicock M**, Jackson, C, & Turnbull L. (2007, August). WATCH and e-WATCH. Oral presentation at the Promoting and Cultivating Health Disparities Research Conference, Durham, NC.
17. **Allicock Hudson M**, Campbell M, Resnicow K, Carr C, & Wilson BN. (2007, April). Evaluating the Body & Soul Peer Counselor DVD Program: Expert versus lay model. Oral presentation at the American Cancer Society's Bridging the Health Care Divide: Research and Expert Programs to Eliminate Cancer Disparities Conference, New Orleans, LA.
18. **Allicock Hudson M**, Campbell M, DeVellis B, & Sandelowski M. (2007, March). The role of core values in fruit and vegetable intake. Poster presentation at the 28<sup>th</sup> Annual Meeting of the Society of Behavioral Medicine, Washington, DC.
19. Leone L, James A, **Allicock Hudson**, & Campbell M. (2007, March). Obesity Predicts Differential Response to a Cancer Prevention Intervention among African Americans. Oral presentation at the 30<sup>th</sup> Annual Meeting of the American Society of Preventive Oncology, Houston, TX.
20. Campbell M, Resnicow K, Carr C, **Allicock Hudson M**, Wang T, & Williams A. Body & Soul: Researching dissemination of an effective faith-based nutrition program. (2006, November). Oral presentation for the 134<sup>th</sup> Annual Meeting of the American Public Health Association, Boston, MA.
21. Leone L, James A, Campbell M, Neelon B, & **Allicock Hudson M**. One Size Does Not Fit All: Does Obesity Predict Differential Response to Cancer Prevention Interventions among African Americans? (2006, October). Poster presentation for the 2006 NAASO, The Obesity Society Annual Scientific Meeting, Boston, MA.
22. Campbell M, Resnicow K, Carr C, **Allicock Hudson M**, Wang T, Williams A. Body & Soul: From efficacy to dissemination of a faith-based nutrition and cancer prevention program. (2006, July). Oral presentation for the Translating Research into Practice and Policy conference, Washington, DC.
23. Campbell M, Carr C, Webber K, **Allicock Hudso M**, DeVellis B, Amamoo A, & Sandler R. *Interactive health communication strategies to promote dietary change for cancer prevention*

- and control.* (2004, November). Oral presentation for the 132<sup>nd</sup> Annual Meeting of the American Public Health Association, Washington, DC.
24. **Allicock Hudson M**, Campbell MK, Sandelowski M, Ernst D, Carr C, & Barton D. (2004, March). *Values among colorectal cancer survivors.* Poster presentation at the 28<sup>th</sup> annual meeting of the American Society of Preventive Oncology, Bethesda, MD.
  25. **Allicock Hudson M**, Oates VJ, James AS, Jackson EJ, & Campbell MK. (2002, November). *Lay Health Advisors: Promoting colorectal cancer prevention in African American churches.* Poster presentation at the annual meeting of the American Public Health Association, Philadelphia, PA.
  26. Katz ML, James A, Campbell MK, **Allicock Hudson M**, Jackson E, & Oates V. (2002, November). *Patient-provider communication and colorectal cancer knowledge: Associations with screening behavior among African Americans.* Poster presentation at the annual meeting of the American Public Health Association, Philadelphia, PA.
  27. James A, Katz ML, Campbell MK, Shen P, & **Allicock Hudson M**. (2002, November). Overweight and obesity in a rural African American population in North Carolina. Oral presentation at the annual meeting of the American Public Health Association, Philadelphia, PA.
  28. Campbell MK, **Allicock Hudson M**, Haughton L, Jackson E, Farrell, D, Tessaro I, Beatty B, James A, & Demissie S. (2002, April). Tailoring versus lay helping interventions to prevent colorectal cancer among rural African American church members: The WATCH Project. Oral presentation at the annual meeting of the Society for Behavioral Medicine, Washington, DC.
  29. James AS, **Allicock Hudson M**, Campbell MK, Oates V & Jackson E. (2002, April). Physical activity patterns among African American church members in rural North Carolina. Poster presentation at the annual meeting of the Society for Behavioral Medicine, Washington, DC.
  30. Katz, M.L., James, A., **Allicock Hudson, M.**, Jackson, E., Oates, V, & Campbell, M. (2002, April) Patient-provider communication and colon cancer screening among African Americans. Poster presentation at the annual meeting of the Society for Behavioral Medicine, Washington, DC.
  31. Thrasher J, Campbell M, Oates V, **Allicock Hudson M**, & Jackson E. (2002, April). Behavior-specific variability in social support and its relationship to cancer risk behaviors among African American church members. Poster presentation at the annual meeting of the Society for Behavioral Medicine, Washington, DC.
  32. Campbell MK, **Allicock Hudson M**, Haughton L, Jackson E, Farrell D, Tessaro I, Beatty B, James A, & Demissie S. (2002, March). Tailored and lay helping interventions to prevent colorectal cancer among rural African American church members. Oral presentation at the annual meeting of the American Society of Preventative Oncology, Philadelphia, PA.

33. James AS, **Allicock Hudson M**, Campbell MK, Oates V, & Jackson E. (2002, March). Recreational physical activity among rural African American church members in North Carolina. Poster presentation at the annual meeting of the American Society of Preventative Oncology, Philadelphia, PA.
34. Katz ML, James A, **Allicock Hudson M**, Jackson E, Oates, V, & Campbell M. (2002, March). Patient-provider communication and colon cancer screening among African Americans. Poster presentation at the annual meeting of the American Society of Preventative Oncology, Philadelphia, PA.

## **B.2. INVITED LECTURES AND PRESENTATIONS**

1. Keynote Presentation: “Building a Peer Support Program Through Community Engagement: An Approach for Addressing Cancer Health Disparities.” Transdisciplinary Science to Advance the Elimination of Cancer Health Disparities, NCI Geographical Management of Cancer Health Disparities Programs (GMAP) Region 1-South 2nd Annual Cancer Health Disparities Research Symposium. Chapel Hill, NC, March 9, 2018.
2. “Am I My Sister’s Keeper?: Support for those touched by Cancer.” 2017 Breast Cancer Awareness Symposium, Come Together for the Cure. Dallas, TX, October 28, 2017.
3. “eHealth Interventions in Vulnerable Populations.” Obesity Round Table, Children’s Health, Dallas, TX, October 20, 2017.
4. “Motivational Interviewing for Managing Chronic Conditions.” Internal Medicine, Endocrinology Grand Rounds, UT Southwestern Medical Center, September 8, 2017.
5. “Cancer and Coping: Addressing Healthy Survivorship among African Americans.” Presented at the American Society of Preventive Oncology 40<sup>th</sup> Anniversary Conference, Columbus, OH, March 15, 2016.
6. Guest Speaker, Public Health and Medicine Journal Club, MD/MPH program Dallas Regional Campus, April 25, 2017.
7. “Cancer, Coping, and Community Coaches: A Train-the-Trainer Model for Building a Peer Support Program.” Presented at the Spring 2015 University of North Carolina at Chapel Hill, ECHO Health Disparities Seminar Series, April 10, 2015.
8. “Peers for SafeTalk: Can a Motivational Interviewing-based Safer Sex Program for Persons Living with HIV be Adapted for Peer Delivery?”, Webinar presented for the National Peer Support Collaborative Learning Network, January 30, 2014.
9. “Working with African American Churches to Improve Health”, Presented at the 6<sup>th</sup> Biennial Childhood Obesity Conference, San Diego, CA, June 28-30, 2011.

10. "Working with African American Churches to Reduce Health Disparities", Presented at the American Heart Association Scientific Sessions Conference 2010, Chicago, IL, November, 2010.
11. "Faithfully Fit: Promoting Healthy Eating and Living in African American Churches", Presented at the National Cancer Institute's Cancer Control Planet Cyber Seminar Series. June 13, 2010.
12. "Applying Motivational Interviewing for Obesity Prevention", 2010 North Carolina Dietetic Association 77<sup>th</sup> Annual Meeting, Durham, NC, April 18, 2010.
13. "Disseminating Body & Soul: An Evidence-based Nutrition Wellness Program", Presented at the 2008-2009 Health Disparities Seminar Series, The UNC Program on Ethnicity, Culture, and Health Outcome, May 15, 2009.
14. "A Healthy You", Presented at The Blue Revue Group of Eta Phi Zeta Graduate Chapter of Zeta Phi Beta Sorority, Inc., Professional Women Series II, Chapel Hill, NC, April 18, 2009.
15. "Pursing a degree in Nutrition" Presented at the UNC Minority Student Caucus and Taking Responsibility to Increase Access and Diversity (TRIAD), Chapel Hill, February 2009.
16. "Evaluating the Implementation and Adoption of Body & Soul," Presented at the 2008 UNC Carolina Community Network Annual Meeting, Chapel Hill, October 2008.
17. "Working with Faith-Based Organizations" Presented at the Preventing Sexual Violence through Building Effective Programs, Oklahoma State Department of Health, Oklahoma, October 2007.
18. "The Black Church and Health in the Community" Presented at East Carolina University, Brody School of Medicine, Annual Black History Month Celebration, February 2007.
19. "Fellowship Opportunities for Underrepresented Minorities & Diversity", Presented at the UNC Graduate School Seminar Series, Chapel Hill, NC, September 2005.
20. "Connecting with Churches: Lay Helping for Cancer Promotion", Presented at St. Augustine's College, Raleigh, NC, April 2002.
21. "Caring for Our Communities: The Lay Health Advisor Model for Health Promotion Programs", Presented at the Lineberger Comprehensive Cancer Center, Chapel Hill, NC, November 2001
22. "Colorectal Cancer Prevention in Black Churches", Presented at the North Carolina Nutrition Network Annual Meeting of Partners, Wilmington, NC, September 2001.
23. "Colorectal Cancer Control in Appalachian Churches", Presented at The University of West Virginia, November 2001.
24. "Colorectal Cancer Prevention in Black Churches", Presented at the North Carolina Nutrition Network Annual Meeting of Partners, Wilmington, NC, September 2001.

25. "Colorectal Cancer Beliefs of Rural African American Church Members", 7<sup>th</sup> Biennial Conference on Minorities, the Medically Underserved, and Cancer, Washington, DC, February 2000.

## **B.3. GRANTS AND CONTRACTS AWARDS**

### **B.3.a. Active grants: Principal Investigator or Co-Principal Investigator**

Investigator-initiated. A Web-based Tailored Health Behavior Intervention for Breast and Colon Cancer Survivors (eWellness), (PI:Allicock), 2017-2018.

### **B.3.b. Active grants: Co-Investigator**

1. NIH/U01: Optimizing Fluid Therapy and Stent Management in Children and Adults with Nephrolithiasis, (PI: Maalouf Naim, UT Southwestern Medical Center).
2. UTSW PCOR. Needs assessment of parents and healthcare practices to improve childhood obesity management, (PI: Barlow)
3. Children's Health. Online Childhood Obesity Management, (PI: Barlow).

### **B.3.c. Active grants: Mentor**

1. None

### **B.3.d. Completed grants: Principal Investigator or Co-Principal Investigator**

1. ACS/Institutional Research Grant-02-196. "Using smartphones to promote healthy behaviors among breast cancer survivors: A pilot study" (PI: Marlyn Allicock), \$30,000 (2015-2016).
2. UNC-CH Lineberger Comprehensive Cancer Center. "Adapting a Motivational Interviewing Model to Train Peers to Support Health Practices among Adults Living with HIV/AIDS, PI, \$17,074 (2013-2015).
3. NCI/NIH 3U54CA153602-04S1. "Peer Connect for African American Breast Cancer Survivors and Caregivers", PI of subcontract, \$158,583 (2012-2015).
4. North Carolina Translational and Clinical Sciences (NC TraCS) Institute Translational Research Matched Pilot Grant Program, Factors Predicting Behavior Change and Weight Loss Among Couples: Implications for Translation and Dissemination of Weight Management Programs", Co-PI 0%, (Co-PI, Megan Lewis, Research Triangle Institute), Budget (total costs): \$50,000 (2012-2013).
5. NCI/NIH 5R03CA138118-02, "A Web-based Tailored Health Behavior Intervention for African American Colon Cancer Survivors", PI, Budget (\$50,000): \$ (2011-2012).
6. NCI/NIH 3R01CA124400-02S1, "Dissemination of a weight management program among US veterans-ARRA", Co-PI 10%, (PI Marci Campbell, The University of North Carolina at Chapel Hill), Budget (total costs): \$146,262 (2009-2011).

7. UNC Program on Ethnicity, Culture, and Health Outcomes Pilot Research Award Program, “Evaluating the Implementation and Adoption of the Nationally Disseminated Body & Soul Program”, PI 0%, Budget (total costs): \$11,999.60, (2008-2009).
8. UNC Faculty Pilot Grant, Carolina Community Network, “Evaluating Body & Soul, a nutrition and wellness program in North Carolina (a pilot study)”, Budget (total costs): \$5,000, (2008-2009).
9. Daiichi Sankyo/Collins Youngclaus Inc., “Diabetes Step-By-Step Program Evaluation”, PI 3%, Budget (total costs): \$75,000, (2007-2008).
10. NCI/NIH F31 5F31CA099919-04, Health Communications for Cancer Prevention and Control, PI, (2003-2006).

### **B.3.e. Completed grants: Co-Investigator**

1. ACS/ Institutional Research Grant -02-196-07. ‘Evaluation of a Shelter-Based and Physical Activity Intervention for Homeless Adults: A Pilot Study’ (PI: Darla Kendzor), \$30,000 (2013-2014).
2. NCI/NIH U01 ES019472, “Pregnancy, Obesogenic Environments, and basal-like breast cancer”, (PI Melissa Troester, The University of North Carolina at Chapel Hill), Budget (total costs): \$359,856 (2010-2012).
3. NCI/NIH 3R01CA124400-02, “Dissemination of a weight management program among US veterans“, Co-I 25% (PI Marci Campbell, The University of North Carolina at Chapel Hill), Budget (total costs): \$4,320,000 (2007-2011).
4. NCI/NIH 3R01CA124400-05S2 “Dissemination of a weight management program among US veterans“, Co-I 25% (PI Marci Campbell, The University of North Carolina at Chapel Hill), Budget (total costs): \$148,343 (2010-2011).
5. CDC 3-U84-DP000059-02S1: SIP5-05 CDC, “Increasing CRC Screening in Urban African American Communities via Churches”, Co-PI 10%, (PI Marci Campbell, The University of North Carolina at Chapel Hill), Budget (total costs): \$1,873,588 (2005-2011).
6. Lance Armstrong Foundation, Grant # not assigned, “Lineberger Lance Armstrong Foundation Center of Excellent in Cancer Survivorship”, Co-PI 3%, (PI Marci Campbell, The University of North Carolina at Chapel Hill), Budget (total costs): \$1,873,588 (2008-2011).
7. CDC S3453-23/23, “Evaluating Fruit and Vegetable Impact in Body and Soul Dissemination”, (PI Marci Campbell, The University of North Carolina at Chapel Hill), Budget (total costs): \$40,671, (2004-2007).

8. NCI/NIH U56 CA92077 e-WATCH: Web Cancer Prevention/Control Education through Churches. (PI Marci Campbell, The University of North Carolina at Chapel Hill), Budget (total costs): \$25, 000, (2006-2007).

### **B.3.f. Grants submitted (pending or not funded)**

1. NCI/NIH, “NC STRong” (PI: Campbell), Budget (total costs): \$1,873,588 (2011), Co-Investigator. Not Funded.
2. NCI/NIH “R01 Behavioral Economics Approaches to Health Eating and Physical Activity in Midlife Adults”, Budget (total costs): \$525,000 (2009). Not Funded.
3. NIH, R21 (PI: Inrig): “Multiple Stigma, Medication Adherence, and Care Retention among HIV+ Ex-Prisoners”, Proposed funding period: 7/1/14 – 6/30/16, Co-Investigator, Under Review.
4. UT Southwestern Center for Translational Medicine Pilot Program (PI: Allicock): “Developing a novel behavioral intervention to improve physical activity and nutrition among Hispanics and African Americans using ehealth tailoring”, Proposed funding period: 2013-2014. Not funded.
5. UTSPH PRIME Awards (PI: Allicock): “Testing a Computer-Tailored intervention to improve physical activity and nutrition among Hispanics and African Americans Food Bank Clients”. Not Funded.
6. The Crystal Charity Ball, “Crystal Charity Ball e-Health Intervention”, Co-PIs (Turer & Allicock, UT Southwestern Medical Center), Budget (total costs): \$1,190,750. Not Funded.
7. The Dean’s Research Award, UTHSC-H SON, (PI: Mathew Joseph), “Perceived Barriers
8. And Benefits of Physical Activity in U. S. Asian Indian Women: A Qualitative Study”, \$7,420, Co-Investigator. Not Funded.
9. Partners Award, UTHSC-H SON, (PI: Mathew Joseph), “Exploring the Role of Acculturation and Lifestyle Behaviors on Risks for Developing Diabetes and Cardiovascular Diseases among Asian Indians in the U.S. Using a National Study”, \$10,372. Not Funded.
10. UTSPH Prime Awards, (PI: Allicock): “Using Smartphones to Improve Diet and Physical Activity among Breast Cancer Survivors: A Pilot Study, \$25,000. Not Funded.
11. Texas NORC Pilot and Feasibility Grant Application, (PI: Allicock): Evaluation of a Diet and Physical Activity Intervention for Healthy Cancer Survivorship: A Pilot Study, \$49, 848. Not Funded.
12. NCI, R21, (PI: Allicock): Health Promotion for African American Breast Cancer Survivors using Smartphones, \$454,42. Not Funded.

13. Front of the Envelope Innovation Award, UTSPH, (PI: Allicock): Caregiver-Patient Dyads to Examine the Transition to Healthy Survivorship. Not Funded.
14. NIH/U01: Collaborate for Her: Improving Cardiovascular Health in African American Women, (PI: Kitzman-Ulrich, Heather Emma, University of North Texas): Not funded.
15. UT Southwestern Center for Translational Medicine Grant: Advancing Diabetes Patients' Self-Management through Motivational Interviewing, (PI: Rhee), \$50,000. Not funded.
16. University of Texas, Center for Clinical and Translational Sciences Pilot Project Awards Program: Coaching for Healthy Cancer Survivorship: A Pilot Study (Bridge to Health), (PI: Allicock), \$46,700. Not Funded.
17. UT Southwestern/PCORI: Sustainable Self-Management & Elevating Wellness for Persons with Diabetes through Optimizing the Chronic Care Model, (PI: Rhee). Not Funded.
18. American Cancer Society, Research Scholar Grant: Promoting Physical Activity for Healthy Breast Cancer Survivorship, (PI: Allicock), \$778,466. Not funded.
19. NCI R01: Physical Activity for Healthy Breast Cancer Survivorship among African Americans (PI: Allicock), \$356,660. Not funded.
20. UT SPH PRIME, Understanding Factors Relevant for Physical Activity Engagement among Breast Cancer Survivors, (PI: Allicock), \$24, 720. Not funded.
21. UNC-CH, Lineberger Developmental Funding Program: Patient-centered communication about healthy weight (PCC-HW) in a sample of racially diverse breast cancer survivors: a qualitative exploration guided by the “5 A’s Behavioral Change Model, (PI: Nyrop), \$71, 865. Not Funded.
22. CPRIT, Evidence-based Navigation to Promote Healthy Breast Cancer Survivorship, (PI: Allicock), \$1,328,964. Not funded.
23. PCORI, Improving Physical Activity for Vulnerable Breast Cancer Survivors, (PI: Allicock), \$1,457,759. Not funded.
24. NIH, Plan for Health - A Pragmatic Randomized Controlled Trial of Tailored Survivorship Care Planning for Safety-Net Patients with Colorectal Cancer, (PI: Balasubramanian), \$3,725,299. Not funded.
25. NCI, R21, Clinic-based patient-centered communication about healthy weight (PCC-HW) in breast cancer, (PI: Nyrop), \$275,000. Under Review.
26. PCORI-PFA-2018-Cycle-1: PCORI Pragmatic Clinical Studies to Evaluate Patient-Centered Outcomes iHEART-KIDS: Hypertension Electronic Alerting to Raise diagnosis and Treatment in Kids Turer CB (PI) 01/01/2019 – 12/31/2024

Major goal: To improve diagnosis, evaluation, and follow-up of elevated blood pressure (previously designated as “pre-hypertension”) and hypertension in 3–18–year-olds by removing multiple barriers to care. Total costs: \$9,664,174. Under Review.

27. NIH/NHLBI U01HL146998-01: The Dallas Foundations of Health Cohort Study, (MPI: Kelder & Kohl). \$21,031, 240. Under Review.
28. NIH/NCI R01 1 R01 CA236997-01: Cancer Prevention and Control Clinical Trials Grant Program (PAR-18-55), Creating Healthy Actions through Technology: Enhancing Physical Activity for Vulnerable Breast Cancer Survivors Budget, (PI: Allicock), \$1,780,845. Under Review.
29. Health Resources and Services Administration. Healthcare-connected, online healthy lifestyle education, (Barlow: PI). \$10,000. Under Review.

## **C. TEACHING**

### **C.1. CLASSES AT UTSPH**

*Teaching effectiveness is rated on a 5 point scale with 1 = very poor and 5 = very good.*

<i>Semester</i>	<i>Course Name</i>	<i>Role</i>	<i>No. of students</i>	<i>Teaching effectiveness</i>
Spring 2015	Health Promotion Theory & Methods (PH 1122)	Lead (100%)	2	5
Fall 2015	Social and Behavioral Aspects of Community Health (PH 1110)	Lead (100%)	38	4.15
Summer 2016	Social and Behavioral Aspects of Community Health (PH 1110)	Lead (100%)	35	3.88
Fall 2016	Social and Behavioral Aspects of Community Health (PH 1110)	Lead (100%)	38	
Summer 2017	MPH Culminating Experience Capstone Course (PHM 9996)	Co-Instructor (33%)	39	
Fall 2017	Social and Behavioral Aspects of Community Health (PH 1110)	Lead (100%)	39	
Summer 2018	MPH Culminating Experience Capstone Course (PHM 9996)	Co-Instructor (33%)	19	
Fall 2018	Social and Behavioral Aspects of Community Health (PH 1110)	Lead (100%)	45	

### **C.2. ADVISING AT UTSPH**

#### **C.2.a. Doctoral Students**

*\*Note: Doctoral students in the Division of Health Promotion and Behavioral Sciences were first admitted to the Dallas Regional Campus in 2012*

<i>Academic advisor and/or thesis advisor</i>			
<b>Student</b>	<b>Degree</b>	<b>Year</b>	<b>Status</b>
Debra Rios	PhD (thesis and academic)	2015-2016	Completed Dec 2016
Jessica Austin	PhD	2016-	Proposal Writing
Andrea Betts	PhD	2016-	Proposal Writing
Okafor Nkem	PhD	2016-	Course work
Shanthi Raj	PhD	2018-	Course work

<b>Committee Member</b>			
<b>Student</b>	<b>Degree</b>	<b>Year</b>	<b>Status</b>
Tiffany Kindratt	PhD, Epidemiology	2017-	Completed June 2018
Paige Bordelon	PhD, Epidemiology	2018-	Proposal Writing
<b>Committee Member, non-UTSPH</b>			
<b>Student</b>	<b>Degree</b>	<b>Year</b>	<b>Status</b>
Carmina Valle (University of North Carolina at Chapel Hill)	PhD, Nutrition	2009-2012	Dissertation: Examining the Use of Online Social Networking to Improve Physical Activity Behaviors Among Young Adult Cancer Survivors  Assistant Professor, UNC Gillings School of Global Public Health, Health Behavior, Chapel Hill, NC
Lucia Leone (University of North Carolina at Chapel Hill)	PhD, Nutrition	2009-2010	Dissertation: Weight-Related Disparities in Colorectal Cancer Prevention Behaviors  Assistant Professor, University of Buffalo, Dept. of Community and Behavior Health, NY
Candice Alick (University of North Carolina at Chapel Hill)	PhD, Nutrition	2009-2012	Completed
Amy Conklin (University of North Carolina at Chapel Hill)	MPH, Nutrition	2010-2011	Graduated
Joseph Whitmore (Virginia Tech)	UNC Public Health Fellowship Program	June 2010- July 2010	Internship completed
Akeem Banks (Shaw University)	UNC SUUPPRT Program	May 2008- July 2008	Internship completed
Amanda Velazquez (University of North Carolina at Chapel Hill)	Co-Advisor Honors Research Thesis, Bachelor of Science in Public Health,	September 2008-May 2009.	Graduated

**C.2.a. Masters Students**

<b><i>MPH Academic advisor and/or thesis advisor</i></b>		
<b>Student</b>	<b>Year</b>	<b>Status</b>
Nishtha Soni	2014	Taking courses
Latisha Taylor	2014	Taking courses
Kankana Gosh	2014	Taking courses; transferred to Houston campus
Erin Taylor	2014	Completed practicum
Lin Helena	2015	Taking courses
Janette Garcia	2015	Taking courses
Ashley Kelley	2015	Graduating Dec 2016
Helen Schuckers	2014	Graduating Dec 2016
Phylicia Morgan	2015	Taking courses
Shinhye Chung	2015	Graduate May 2018
Holland Cornelius	2015	Taking courses
Adeyinka Aladejar	2016	Taking courses
Samantha Bohrt	2016	Taking courses
Librada Callender	2016	Taking courses
Crystal Cazier	2016	Taking courses
Maria Cole	2016	Graduated May 2017
Olasunkanmi Kolawole	2015	Taking courses
Zainab Shipchandler	2016	Taking courses
Mike Garcia	2017	Taking courses
Faith Ilesanmi	2017	Taking courses
Megin Parayil	2018	Taking courses
Addison Ransom	2018	Taking courses
Annamaria Sirugo	2018	Taking courses
Amanda Smith	2018	Taking courses

<b><i>MD/MPH Academic advisor and/or thesis advisor</i></b>		
<b>Student</b>	<b>Year</b>	<b>Status</b>
Christine Dobbin	2018	Taking courses
Vishal Gupta	2018	Taking courses
Jennifer Min	2018	Taking courses
Maria Reynolds	2018	Taking courses
Matthew White	2018	Taking courses

## **D. SERVICE**

### **D.1. SERVICE TO THE INSTITUTION**

#### **D.1.a. Educational programs at the UT School of Public Health**

- None

#### **D.1.b. Committees at the UT School of Public Health**

- Faculty Council (Alternate): September 2014-2015
- Faculty Council (Member): September 2015-present
- Faculty Advisor, Student Association, Dallas Regional Campus: August 2016-Present
- Admissions Committee, Member, Dallas Regional Campus: April 2016-Present
- Grader, Preliminary HPBS PhD Exams (2015, 2016, 2017, 2018)
- Dallas Graduation Local Ceremony Planning Committee, Chair: Spring 2017
- Search Committee (Member): Epidemiology and Health Promotion/Behavioral Sciences Search Committee, Dallas Regional Campus (June 2017-Present)
- HPBS PH 1110 Course Planning Team, Member (November 2017-Present)

#### **D.1.c. Faculty searches at the UT School of Public Health**

- None

#### **D.1.c. Service to the UTSW (host institution for the UTSPH Dallas Regional Campus)**

- Community-Based Research Awards: Grant Reviewer (2014, 2015, 2016, 2017)

### **D.2. SERVICE TO THE PROFESSION**

- *Society of Behavioral Medicine, Cancer SIG Mentoring Planning Committee, Member: 2017-Present*
- *Susan G. Komen, African American Health Equity and Education Committee, Member: (August 2017-Present)*  
This committee's purpose is to empower, educate, and implement strategies that will help reduce breast health disparities among African American women, particularly residing within the Affiliate's priority areas.
- *Dallas District 3 Public Health Advisory Council, Member: (August 2014-Present)*  
Charged to focus on innovative solutions to health-related issues and disparities impacting constituents within Dallas County District 3, as well as the County at large.
- *Community Advisory Board, South Dallas Churches, Better Within Me Project (Kitzman-Ulrich, PI): (June 2016-2017)*  
This is a Community Based Participatory Research (CBPR) study testing a faith-enhanced Diabetes Prevention Program (DPP) compared to the DPP alone with African

American women in 16 church-based settings.

- *Coming Together for the Cure*, Breast Cancer Awareness Roundtable, Member: (August 2016-Present)  
A Parkland Hospital initiative that brings together key stakeholders to plan several outreach efforts to address breast cancer.
- *Patient Navigator Action Coalition (PNAC) of Dallas*, Member: (August 2016-Present)  
The Bridge Breast Network brings together providers and community partners to collaborate to reduce medical disparities and increase access to breast health care in North Texas.

### **D.2.a. Memberships**

2004-present Society of Behavioral Medicine

2004-present International Society for Behavioral Nutrition and Physical Activity

2006-present International Conference on Motivational Interviewing

1999-2001 American Public Health Association

### **D.2.b. Reviewer service**

***Reviewer for journals:*** American Journal of Public Health, Health Education and Behavior, Health Promotion Practice, Journal of Rural Health, Journal of the American Dietetic Association, Health Education and Behavior, Health Education Journal, Journal of Nutrition Education and Behavior, Patient Education and Counseling, Preventing Chronic Disease, American Journal of Preventive Medicine, Progress in Community Health Partnershipss, Implementation Science, Psycho-Oncology, Journal of Pain and Symptom Management, Health Education Journal.
