

Maria Eugenia Fernández-Esquer, PhD

Associate Professor of Health Promotion & Behavioral Sciences
Department of Health Promotion and Prevention Research
University of Texas School of Public Health
7000 Fannin, Suite 2518, Houston, TX 77030

Office (713) 500-9657
Fax (713) 500-9750
Maria.E.Fernandez-Esquer@uth.tmc.edu

EDUCATION AND TRAINING

1992	The University of Texas Health Science Center at Houston School of Public Health, Houston, TX	Post-Doctoral Research Fellow
1989	University of Arizona, Tucson, AZ	PhD (Psychology)
1986	University of Arizona, Tucson, AZ	MA (Psychology)
1979	Loyola University, New Orleans, LA	BA (Psychology)

PROFESSIONAL EXPERIENCE

2004 – Present	Associate Professor of Behavioral Sciences (Tenured) University of Texas School of Public Health, Houston, Texas
1995 – 2004	Assistant Professor of Behavioral Sciences (Tenure-Track) University of Texas School of Public Health, Houston, Texas
1992 - 1995	Assistant Professor of Behavioral Sciences (Non-Tenure Track) University of Texas School of Public Health, Houston, Texas
1990 – 1991	Research Specialist Department of Psychology, University of Arizona

HONORS AND AWARDS

1999, 2001, 2004, 2013-2016	<i>Dean's Excellence in Scholarship Incentive Award</i> University of Texas School of Public Health
1996 – 2006, 2009, 2013-2016	<i>Dean's Excellence in Research Incentive Award</i> University of Texas School of Public Health
2005-2006	<i>Rockefeller Foundation Residence Fellowship in the Social Sciences & Humanities</i> Regional Center for Multidisciplinary Research National Autonomous University of Mexico
1990	<i>Outstanding Dissertation Award</i> . Board of Ethnic Minority Affairs, American Psychological Association, Washington, DC
1979	<i>Suma Cum Laude and Dean's List of Distinguished Students</i> Loyola University, New Orleans, LA
1979	<i>Psi Chi</i> , Psychology National Honors Society

RESEARCH SUPPORT

Current

Principal Investigator 2018-2023
VALES+Tú: Targeting Psychosocial Stressors to Reduce Latino Day Laborers Injury Disparities. National Institute on Minority Health and Health Disparities (NIMHD). NIH R01 grant. Total costs \$3,322,567

Completed (as PI)

Principal Investigator (Subcontract) 2014-2017
Culturally Adapted Brief Motivational Intervention for Heavy Drinking Latinos. Patient Centered Outcomes Research Institute (PCORI). Total costs: \$41,000

Principal Investigator 2013-2017
Promoting breast and cervical cancer screening among Vietnamese nail salon workers: An evidence based approach. Cancer Prevention Institute of Texas (CPRIT). Total costs: \$299,898.

Principal Investigator 2013-2016
Prevention Program to Reduce Injury Disparities Among Latino Day Laborers. National Institute of Minority Health Disparities. NIH R34 grant .Total costs: \$1,075,493.

Principal Investigator 2013-2014
 Hospital-Based Community Health Needs Assessment. Episcopal Health Charities, Houston TX. Total costs: \$150,000.

Principal Investigator (Subcontract) 2011-2012
Acculturation and Youth's Longitudinal Adjustment in Mexican American Families. Health Resources and Services Administration (HRSA) grant. Total costs: \$7,600

Principal Investigator 2008-2009
Job-Related Health Risks of Latinas Employed in Cantinas. Pilot grant funded by the National Institute of Occupational Safety and Health (NIOSH) through the Southwest Center for Occupational and Environmental Health (SWCOEH) at the UT School of Public Health. Total costs: \$12,500

Principal Investigator 2006-2008
The Health Risks of Foreign Born Latino Men. St. Luke's Episcopal Health Charities, Houston, TX. Total costs: \$25,000.

Principal Investigator 1996-2002
Community Outreach for High Risk Mexican American Women. National Cancer Institute. Total costs: \$531,300.

Principal Investigator (Subcontract) 1992-1995
EN ACCION: National Hispanic Leadership Initiative on Cancer . Grant funded by the National Cancer Institute to the University of Texas Health Science Center at San Antonio. Total costs: \$ 54,000.

Principal Investigator 1992-1995
A Su Salud Mexican American Participation in Cancer Prevention. National Cancer Institute Minority Investigator Research Supplemental Award. Total costs: \$238,126.

Completed (as Co I)

Co Investigator 2007-2009
SIP 03-07 Intervention to Increase Screening for Cervical Cancer in Women of Mexican Descent-Phase 3 (Theresa Byrd, PI). Centers for Disease Control and Prevention. Total costs: \$435,390

Col Investigator 2003-2005

Formative Research to Develop Behavioral Surveillance for STD Transmission Among High Risk Heterosexual Populations. (Michael Ross, PI). Texas Department of Health grant. Total costs: \$419,919
2004-2005

Co-Investigator

Non-Gay Identifying Men Who Have Sex with Men (Michael Ross, PI). Association of Schools of Public Health grant.

Co-Investigator

2002-2004

Texas LINCC: Latinos in a Network for Cancer Control (Maria Fernandez, PI). Centers for Disease Control and Prevention) Special Interest Project grant. Total costs: \$433,584.

Co-Investigator

1999-2003

HIV Prevention Among Alternative School Youths (Susan Tortolero, PI). National Institute of Child Health and Human Development R01 grant. Total costs: \$484,470.

Co-Investigator

1999-2002

Increasing Cervical Cancer Screening in Hispanic Women (Theresa Byrd, PI) Centers for Disease Control & Prevention and the Association of Schools of Public Health Special Interest Project grant. Total costs: \$93,601.

Co-Investigator

2000-2002

The Hispanic Paradox: An inquiry into social cohesion and health (Luisa Franzini PI). Texas Department of Health. Innovation grant. Total costs: \$321,152.

Co-Investigator

1998-2001

Collaborative Faculty Development. Substance Abuse Prevention (Marianne Marcus, PI). Substance Abuse and Mental Health Administration faculty development grant. Total costs: \$156,394.

Co-Investigator

1995-1997

STD/HIV Prevention Training Center – Behavior Training Unit (Michael Ross, PI). Centers for Disease Control and Prevention. Total costs: \$1,300,000.

Co-Investigator

1995-1998

Syphilis Prevention in Houston Texas (Michael Ross, PI). Centers for Disease Control and Prevention grant. Total costs: \$256,925.
