Academic Education -

Doctor of Philosophy (Epidemiology), The Ohio State University, 1981  
Master of Public Health (Environmental Management & Protection), University of North Carolina, 1973  
Doctor of Veterinary Medicine, Texas A&M University, 1969  
Bachelor of Science (Veterinary Science), Texas A&M University, 1968

Licensure & Specialty Recognition-

American College of Animal Welfare [Charter Diplomate], 2011  
ACVPM Epidemiology Specialty [Charter Diplomate], 1984  
American College of Epidemiology, 1983  
American College of Veterinary Preventive Medicine [ACVPM], 1976  
American Board of Veterinary Public Health Certification, 1976  
Accreditation, United States Department of Agriculture, 1969 (renewed 2010)  
Texas State Board of Veterinary Medical Examiners, 1969 (#2757)

Military Education-

Diploma, Air War College (Residence), 1988  
Diploma, Air Command and Staff College (Seminar), 1978  
Diploma, Squadron Officers School (Residence), 1974  
USAF Early Commissioning Program, 1966

Full Time Employment History-

1993-2010. University of Texas Health Science Center @ Houston  
1970-1993. United States Air Force (Active Duty)  
1969-1970. Memorial Animal Clinic, Houston Texas

Positions Held-

- 1993- present. Associate Professor of Epidemiology NTT, University of Texas - School of Public Health, UT Health Science Center @ Houston.
- 2007-2010. Director - Center for Biosecurity and Public Health Preparedness, Univ of Texas- School of Public Health, UT Health Science Center @ Houston.
- 2002-2007. Associate Director - Center for Biosecurity and Public Health Preparedness, Univ of Texas- School of Public Health, UT Health Science Center @ Houston.
- 1996-2000. Director, Longitudinal Studies, Air Force Reproductive Health Study, Defense Women's Health Initiative, UT - School of Public Health.
- 1992-1993. Chief Scientist, Aerospace Medicine Directorate, Armstrong Laboratory, Brooks AFB, San Antonio TX: Directed life sciences and clinical research programs for aeromedical standards, health surveillance, and man-machine limitations affecting Air Force operations worldwide.
- 1988-1991. Vice Commander (1988-90), Air Force Occupational and Environmental Health Laboratory and Commander, Detachment 6, Armstrong Laboratory (1991), Brooks AFB, San Antonio TX: Laboratory services and field investigation of occupational, radiological and environmental health hazards; 250 staff members.
- 1984-1987. Senior Policy Analyst for Preventive Medicine and Health Promotion, Office of the Assistant Secretary of Defense (Health Affairs), The Pentagon, Washington DC: Evaluation and implementation of public health programs including the DOD Human Immunodeficiency Virus surveillance program, conduct of the worldwide Military Substance Abuse Survey Series, and writing issue papers for Congressional testimony.
- 1981-1984. Chief, Epidemiologic Investigations (1981-82) and Disease Surveillance (1982-84), Epidemiology Division, USAF School of Aerospace Medicine, Brooks AFB, San Antonio TX: Supervised staff of health professionals providing worldwide epidemiology, disease outbreak investigations, preventive medicine, medical entomology, and public health consultation.
- 1976-1978. Assistant to the Command Veterinarian (1976-77), and Chief, Environmental Medicine Branch (1977-78), Headquarters United States Air Forces in Europe: Development of epidemiology, communicable disease control, food safety, and veterinary public health programs in seven NATO countries; medical intelligence officer for Air Force activities in Europe, Africa, and the Mideast; Health Education Coordinator (1977-78).
- 1973-1976. Chief of Veterinary Services, Zweibrucken Air Base, Germany: Veterinary medical, food safety, and public health programs for military community of 25,000; Medical Evaluator, 26th TRW Exercise Evaluation Team (1975-76); Clinic Disaster Preparedness Officer, (1973-75).
- 1970-1972. Chief of Veterinary Services, Hanscom Air Force Base, MA.
- 1969-1970. Private Veterinary Medical Practice, Houston, TX.

Recognition-

Nicholas A. Cummings Award for Interprofessional Health Care, National Academies of Practice Awards Banquet, April 2016  
President, National Academies of Practice, 2013- 2014  
Outstanding Alumnus, Texas A&M College of Veterinary Medicine and Biomedical Sciences, 2012  
President- Elect, National Academies of Practice, 2010- 2012  
Co-Chair, Veterinary Medicine Academy, National Academies of Practice, 2008-2010  
Texas Public Health Association Honorary Life Member, 2010  
Elected Distinguished Practitioner, National Academies of Practice (Veterinary Medicine), 2007  
President, American College of Veterinary Preventive Medicine, 2006-2008  
President, Sigma Xi (Alamo Chapter), 2004-2005  
Honorary Diploma, American Veterinary Epidemiology Society, 2004  
Helwig-Jennings Award, American College of Veterinary Preventive Medicine, 2004  
Outstanding Teacher Award, San Antonio Campus, UT School of Public Health, 1997, 2000, 2004  
Secretary of Defense Outstanding Public Service Medal, 2003  
President, Texas Public Health Association (TPHA), 2001-2002  
Excellence in Scholarship Incentive Award, UT- School of Public Health, 2000  
Research Investigator Incentive Award, UT School of Public Health, 1998, 1999, 2000  
Fellow, Texas Public Health Association, 1999  
Peer Recognition for Outstanding Scholarship, UT HSC @ Houston Honors Convocation, 1999  
President, Veterinary Medical Association of Bexar County, 1997-1998  
Nationally Recognized Honors in Community Service, UT HSC @ Houston Honors Convocation, 1997  
President, American Association of Public Health Veterinarians, 1996-1997  
Uniformed Services Veterinarian of the Year, 1994  
Legion of Merit, Department of the Air Force, 1993  
Meritorious Service Medal (Second Oak Leaf Cluster), Department of the Air Force, 1991  
President, Conference of Public Health Veterinarians, 1990-1992  
Fellow, American College of Epidemiology, 1990  
Air War College Commandant Award for Excellence, Runner-Up, 1988  
Who's Who in Veterinary Science and Medicine, 1987  
Defense Meritorious Service Medal, Department of Defense, 1987  
Consultant to the Surgeon General, US Air Force (Epidemiology and Public Health), 1984-1993  
Meritorious Service Medal (First Oak Leaf Cluster), Department of the Air Force, 1984  
Air Force Commendation Medal (First Oak Leaf Cluster), Department of the Air Force, 1984  
Sigma Xi, The Scientific Research Society, 1981  
Graduate Student Alumni Research Award, The Ohio State University, 1980  
Biomedical Research Support Grant Program, National Institutes of Health, 1979-80  
Society of Phi Zeta, Veterinary Medical Honor Society, 1979  
Meritorious Service Medal, Department of the Air Force, 1978  
Certificate of Appreciation (Exotic Newcastle Disease Eradication Task Force), USDA, 1973  
Air Force Commendation Medal, Department of the Air Force, 1972

Presentations, Workshops, and Facilitation-

### Research and Field Studies-

Principal Investigator, Community Preparedness Disaster Epidemiology Workshop, DSHS # 2009-031508-001, 6/15/2009-10/30/2009, \$38,000

Principal Investigator, Center for Biosecurity & Public Health Preparedness, CDC Award #U90/CCU624246-01, 8/09/2009- 8/08/2010, \$500,000

Principal Investigator, Center for Biosecurity & Public Health Preparedness, CDC Award #U90/CCU624246-01, 8/09/2008- 8/08/2009, \$525,000

Principal Investigator, Center for Biosecurity & Public Health Preparedness, CDC Award #U90/CCU624246-01, 8/09/2007- 8/08/2008, \$1,011,076

Co-Investigator, Center for Public Health Preparedness, CDC Award #U90/CCU624246-01, 9/01/04-06/31/07, \$1,022,239

Co-Investigator, Center for Public Health Preparedness, CDC Award #U90/CCU624246-01, 9/01/05-8/31/06, \$1,094,805

Co-Investigator, Center for Public Health Preparedness, CDC Award #U90/CCU624246-01, 9/01/04-8/31/05, \$1,126,079

Co-Investigator, Bioterrorism Training and Continuing Education Program (BTCEP), HRSA Grant #2 T01HP01393-03-00, 9/01/05 – 8/31/07, \$4,300,000

Principal Investigator, FY2005 Bioterrorism Preparedness Texas Department of State Health Services Award # 50100-4-0000306915, 6/15/05-8/31/05, \$36,000

Co-Investigator, Texas Border Health Training Initiative, Texas Department of State Health Services Award # 50100-4-0000305139, 4/1/05-8/31/05, \$1,435,517

Principal Investigator, “Tuberculosis Training/Technical Assistance and Medical Consultation Needs Assessment for the Heartland Regional Training and Medical Consultation Center (RTMCC)”, 01/01/2005-12/31/2005, \$120,996

Co-Investigator, Public Health Leadership in Disaster Response, Texas Department of State Health Services Award # 50100-4-0000210519, 1/01/04-3/31/05, \$69,963

Co-Investigator, Bioterrorism Training and Continuing Education Program (BTCEP), HRSA Grant #T01HP01393, 9/30/03 – 08/31/05, \$3,609,508

Co-Investigator, Academic Center for Public Health Preparedness, CDC/ASPH Award # A1024-21/22, 09/01/03 – 08/31/04, \$1,238,043

Principal Investigator, Texas Department of Health Award #50100-4-0000210520, Development of Disease Outbreak Investigation Course for TDH Epidemiologic Response Teams, 01/01/2004 – 08/30/2004, \$50,000

Principal Investigator, Texas Department of Health Region 8, Local Public Health Preparedness and Response for Bioterrorism, 09/01/2003 – 08/31/2004, \$48,000

Consultant, Texas Department of Health Region 8, Bioterrorism Preparedness and Response Planning, 09/01/2002 – 08/31/2003 (\$40,000).  
Co-Principal Investigator and Director of Longitudinal Studies, Investigation of Reproductive Health Outcomes & Potential Risk Factors in Air Force Women, Defense Women's Health Research Program, 10/01/1996 – 09/30/2000 (\$ 236,000)  
Consultant, Texas Department of Health CJD Cluster Investigation, 1998-2000  
Air Force Office of Scientific Research Summer Faculty Program, Molecular Epidemiology and PCR Techniques- Hepatitis C Virus, Armstrong Laboratory, Brooks AFB, TX, 1997  
Consultant, Texas Department of Health Oral Rabies Vaccination Project of Coyotes, 1994-1995  
Principal Investigator, Availability, Accessibility, and Adequacy of Health Care Provided to Air Force Active Duty Women in Theater during Operation Desert Shield/Desert Storm (ODS), Air Force Office of Prevention and Health Services Assessment, October 94-September 95 (\$50,000)  
Incidence of Respiratory Disease during Summer Encampment at the USAF Academy, CO, 1979-1983 (USAFSAM/EK Consultant Report #83-06), 1983  
1982-83 Influenza Vaccine Efficacy Against New Influenza A Variant Isolated from Clark Air Base, Republic of Philippines, 12 Oct 1982- 7 Jan 1983 (USAFSAM/EK Consultant Report #83-1), 1983  
Epidemiologic Investigation of Post-operative Infection Risk at the USAF Hospital, Wurtsmith AFB MI, 9-20 September 1982 (USAFSAM/EK Consultant Report #82-11), 1982  
Epidemiological Investigation of Histoplasmosis at Maxwell AFB, Alabama, 5-8 October 1981 (USAFSAM/EK Consultant Report #81-5), 1981  
Role of Bats in the Epidemiology of Saint Louis Encephalitis in Ohio PhD Dissertation, Ohio State Univ, 1981  
Application of an Agar Contact Surface Sampling Technique to the Evaluation of Staphylococcus in a Newborn Nursery, MPH Thesis, UNC, 1973

---

#### Graduate Course Topics Taught (Full Semester)

Capstone Course for MPH  
Evidence Based Public Health  
Critical Thinking and Thesis Proposal Development  
Disaster Epidemiology [Interactive Distance Education]  
Disaster Response and Public Health Preparedness [Online course]  
Fundamentals of Epidemiology [Hybrid]  
Introduction to Epidemiology  
Applied Epidemiology  
Systematic Reviews  
Special Topics in Epidemiology  
Interprofessional Care – Longitudinal Elective (UT Schools of Pharmacy, Medicine, Nursing, Health Professions, and Public Health).

#### Professional and Community Activities-

Alamo Area Council of Governments (AACOG), Regional Emergency Preparedness Advisory Committee (REPAC), 2006-present.

Annual Southwest Conference on Diseases in Nature Transmissible to Man, Program Planning Committee, San Antonio TX May 2016.

Texas State Preventive Health Advisory Committee (Consumer Representing the General Public), Texas Department of State Health Services, 2009- 2015.

Annual Southwest Conference on Diseases in Nature Transmissible to Man, Moderator and Program Planning Committee, Galveston TX May 2015.

American Public Health Association. Chair, Veterinary Public Health Special Interest Group, 2004-2008; Convention Planning 2005, 2006, 2007.

Animal Resource Center of San Antonio (501.c.3). President 2001-2003; Vice President, 2000-2001, 2009-2011; Board of Directors, 1997- 2012.

Medical Reserve Corps (Alamo Medical Regional Group), Texas State Guard, 2004-2008.

National Emergency Rescue & Response Training Center (Adjunct Instructor), 2004-2010.

American College of Veterinary Preventive Medicine. Immediate Past-President, 2008-2010; President, 2006-2008; Executive Board, 2004-2010; President-Elect, 2004-2006; Examinations Committee (Chair 2000-2002), 1996-2002; Epidemiology Specialty Nominating Committee, 1989-1992; Budget Committee, 1990-1991; Board of Councilors, 1986-1989; Publications Committee (Chair), 1985-1986; Autotutorial Committee (Chair, 1984), 1977-1984

Alamo Advisory Board, Hispanic Center of Excellence, UTHSCSA Medical School. 2003-2004.

American Association of Public Health Veterinarians. President, 1996-1997; Pres-Elect, 1995-1996.

American Veterinary Medical Association. Convention Management and Planning Committee (Public & Corporate Practice Manager), 1998-2007; Council on Public Relations (Public Health Representative) (Chair 95-96; Exec 93-96), 1991-1997

Conference of Public Health Veterinarians. President, 1990-1992; President Elect, 1988-1990; Board of Directors, 1984-1987; Membership Committee (Chair), 1984-1987

National Association of Federal Veterinarians. Sec - Treas, 1991-1992; Board of Directors, 1987-1990

San Antonio Metropolitan Health Department Animal Control Advisory Board. Howard Bear Award for Exemplary Activities, Runner- Up, presented at National Association of County and City Health Officials (NACCHO), Dearborn, MI, 1999; Member, 1995-2000 (Chair 97-98, 98-99)

Sigma Xi, The Scientific Research Society (Alamo Chapter). President, 2004-2005; President-Elect, 2003-2004, Executive Board, 2003-present: Admissions Committee (1991-1997),

Texas Public Health Association. President, 2001-2002, President-Elect, 2000-2001; First Vice-President, 1999-2000; Epidemiology Section, 1997-present; Editorial Board TPHA Journal (Chair 99-00), 1996-2001); TMA Planning Committee, Joint TMA/TPHA Medicine & Public Health Initiative (\$14,560), 1998-1999; Research Presentations Committee, 1992-2000; Member at Large Representative, 1996-1999; Veterinary Public Health Section (Chair 93-94), 1991-1996

Texas Veterinary Medical Association. Member, Animal Welfare Committee; 2010-present; Chair, Task Force on Animal Welfare, 2009-2010; Presidents Advisory Council, 2004-2005; TVMA Disaster Preparedness Committee, 2003-2010; Board of Directors, 1999-2001; Human Animal Bond Subcommittee, 2000-2001; Companion Animal Committee, 2000-2001; AVMA/TVMA Liaison Committee, 1996-2000; Legislative Committee, 1995-1998, 2000; Public Awareness & Client Education Task Force, 1997-1998; Emergency Response Task Force, 1997-1998; Public Health Committee, 1994-1997 (Chair 94-95,95-96), 2005-2207; Food Safety Task Force, 1994-1996; President, Leadership Class of 1994

Veterinary Medical Association of Bexar County. President, 1997-1998; President-Elect, 1996-1997; Member at Large, 1995-1997; Continuing Education Committee, 1993-1996, 1998-1999.

---

Appointments and Consulting Activities:

Editorial Board, *Journal of Interprofessional Education & Practice*

[<http://www.jieponline.com/content/edboard>], 2015-present.

Member, Institute of Medicine Global Forum on Innovation in Health Professional Education, 2012-2015.

- Scaling up Best Practices in Community-Based Health Professional Education, Global Forum on Innovation in Health Professional Education, Institute of Medicine, May 1-2, 2014
- Establishing Transdisciplinary Professionalism for Health: 3<sup>rd</sup> Public Workshop, Global Forum on Innovation in Health Professional Education, Institute of Medicine, May 14-15, 2013
- Educating for Practice: 2<sup>nd</sup> Public Workshop, Global Forum on Innovation in Health Professional Education, Institute of Medicine, November 29-30, 2012
- Educating for Practice: Improving Health by Linking Education to Practice using IPE Public Workshop, Global Forum on Innovation in Health Professional Education, Institute of Medicine, August 29-30, 2012

Pilot Study Review Panel, Southwest National Primate Research Center, Texas Biomedical Research Institute, San Antonio, TX, July 2012.

Associate Editor, *EJournal of Interprofessional Healthcare*, National Academies of Practice, 2011-2015.

SPH Coordinator, Longitudinal Elective in Interprofessional Care in HIV, Center for Patient Safety & Health Policy, School of Medicine, UT-Health Science Center San Antonio, Texas, 2008- 2013.

Visiting Faculty, UTHSCSA South Texas Environmental Education and Research Program, Laredo, TX, 1996-2013.

Editorial Board, *Zoonoses and Public Health*, 2006-2015.

External Program Reviewer, Master of Science in Emergency Preparedness, College of Public Health, University of Nebraska Medical Center, January 2012.

Infectious Disease Surveillance Working Group, Southwest National Primate Research Center, Southwest Foundation for Biomedical Research, 2009-2012.

Subject Matter Panelist, Naval Postgraduate School, Center for Homeland Defense & Security, Homeland Security Executive Education Seminar, FEMA Region 6 Multi-State MET Topical Seminar, Irving, Texas, July 25-27, 2011

Reviewer, ASPH/CDC Alan Rosenfield Global Health Fellowship, 2009-present.

UT-SPH Faculty Representative, Health Professions Panel, UTSA Health Professions Day, 2011

External Review Committee, Research Centers and Institutes, University of Texas @ San Antonio (2010, 2011, 2012).

Grant Reviewer, Community Service Learning Mini-Grant Program, Center for Medical Humanities & Ethics, School of Medicine, UT-HSC, San Antonio, Texas, 2010-2012.

Participant, Preparing for Potential Pandemic Disease Leaders, San Antonio Metropolitan Health District and USAID/San Antonio Council of International Visitors (Workshop for guests representing Burma, Indonesia, India, Sweden, Syria, Tanzania, Uruguay), 2009.

UTSPH Representative, San Antonio Metropolitan Health District Workgroup for H1N1 Preparedness and Community Awareness, 2009

NACCHO 2010 Preparedness Summit Planning Committee, 2009

CDC Peer Review Panel for grant applications to Funding Opportunity Announcement TP08-001, Preparedness and Emergency Response Research Centers: A Public Health Systems Approach (P01).

Chair, Task Force on Animal Welfare (AWTF), Texas Veterinary Medical Association, 2009-2010.

Organizing Committee, American College of Animal Welfare, 2008-2012.

Defense Health Board (Military Occupational/Environmental Health & Medical Surveillance), Office of Assistant Secretary of Defense (Health Affairs), 2008-2011.

Peer Reviewer, American Journal of Preventive Medicine, 2004-2008.

Peer Reviewer, Journal of the American Veterinary Medical Association, 2000- present.

Adjunct Faculty, US Air Force School of Aerospace Medicine (1990-2003).

Peer Reviewer, International Journal of Biometeorology, 2007

Scientific Advisory Council, Texas Bio & Agro-Defense Consortium, 2007

Peer Reviewer, Vaccine, 2007

Peer Reviewer, Clinical Infectious Diseases, 2007

ASPH/CDC Food and Water Safety Collaboration Group, 2006-2007

Asian Disaster Preparedness Center, Bangkok, Thailand, 2006

Texas Public Health Training Center / Ctr for Biosecurity and PH Preparedness Advisory Council, 2006.

ASPH/CDC Infection Control Collaboration Group, 2006

Peer Reviewer, Emerging Infectious Diseases, 2006.

Review Panel, Force Health Protection Research Program, Center for Deployment Health, Military Operational Medicine Research Program, American Institute of Biological Sciences, Naval Health Research Center, San Diego CA February 8-9, 2005

ASPH/CDC Exemplar Group Graduate Student Epidemiology Response Programs (GSERP), 2004-2005

Public Health Advisory Panel, DoD Centers for Deployment Health, OASD/HA, 2003-2005.

Armed Forces Epidemiological Board, Office of the Secretary of Defense, Washington DC, 2001- 2005.

Task Force on SARS Quarantine, Defense Science Board, 2003-2005.

Co-Chair, Workgroup G, Ensuring Essential Public Health Services, Texas Department of Health State Strategic Health Plan Steering Committee, 2003- 2005.

San Antonio Regional Emergency Medical Preparedness Steering Committee (REMPSC) (Public Health & Surveillance Workgroup), 2003-2006

Chairman, Environmental and Occupational Health Sub-Committee, Armed Forces Epidemiological Board, Office of the Secretary of Defense, Washington DC, 2002-2005.

ATSDR Peer Review 'Health Outcome Data, Leukemia Update, Kelly Air Force Base, San Antonio, Bexar County, Texas,' 2005

Panel Member, Epidemiological Approaches to Food Safety, National Research Initiative Competitive Grants Program, Cooperative State Research, Education, and Extension Service, USDA, Washington DC, June 14-16, 2004

Panel Manager, Food Safety – Coordinated Agricultural Project, National Research Initiative Competitive Grants Program, Cooperative State Research, Education and Extension Service, USDA, June 17, 2004
