

# Kymerle L. Sterling, DrPH, MPH

## Curriculum Vitae

---

### **Overview**

As a behavioral scientist, my research program focuses on cancer prevention among youth and young adults. I have a track record of federally funded research in youth and young adult tobacco use, tobacco-related health disparities and tobacco regulatory sciences. I am a forward-leader with a commitment to developing and mentoring junior faculty and students.

---

### **Education**

**Community Health Sciences** **DrPH** **2005**  
Health Promotion/Health Education Module  
University of Texas Health Science Center at Houston, School of Public Health  
Houston, TX

**Maternal and Child Health** **MPH** **1998**  
Community Health Sciences Department  
Tulane University School of Public Health and Tropical Medicine  
New Orleans, LA

**Cell and Molecular Biology** **BS** **1997**  
Cell and Molecular Biology Department  
Newcomb College, Tulane University  
New Orleans, LA

---

### **Fellowships**

**Pre-doctoral Fellow** **2003-2005**  
National Cancer Institute, Cancer Prevention and Control Training Program  
Center for Health Promotion and Prevention Research  
University of Texas Health Science Center at Houston, School of Public Health  
Houston, TX

---

### **Professional Experience**

**Associate Professor** **2018-present**  
Health Promotion & Behavioral Sciences  
University of Texas Health Sciences Center School of Public Health  
Dallas, TX

**Public Health Research Scientist** **2017-2018**  
Battelle Memorial Institute, Atlanta, GA

**Associate Professor, Tenured** **2014-2017**  
**Assistant Professor, Tenure-Track** **2008-2014**  
Division of Health Promotion & Behavior, School of Public Health  
Georgia State University, Atlanta, GA

**Post-doctoral Research Associate** **2005-2008**  
National Cancer Institute, Cancer Education and Career Development Program  
University of Illinois at Chicago, Chicago, IL

**Research Assistant II** **2000-2003**  
University of Texas Health Science Center at Houston, School of Public Health  
Houston, TX

---

---

**Program Coordinator**

Tulane-Xavier National Center of Excellence in Women's Health  
Tulane University, New Orleans, LA

**1999-2000****Public Health Advisor**

Office of Louisiana State Senator Paulette Irons  
New Orleans, LA

**1998-1999**

---

**Technical Skills**

- Mixed-Methodology Data Collection and Analysis
- Discrete Choice Experiments
- Application of Latent Variable Modeling Techniques (e.g. Structural Equation Modeling, Latent Transition Analysis)

---

**Publications:  
Refereed Journal  
Articles**
