

**Curriculum Vitae**  
**Michiko Otsuki Clutter, PhD**  
October 5, 2018

**CURRENT POSITION**

---

Assistant Professor, Health Promotion and Behavioral Sciences  
The University of Texas School of Public Health, Dallas Regional Campus  
Joint Appointment, Senior Research Scientist, Children's Health

Phone: 972-546-2920

e-mail: [Michiko.Clutter@uth.tmc.edu](mailto:Michiko.Clutter@uth.tmc.edu); [Michiko.Clutter@childrens.com](mailto:Michiko.Clutter@childrens.com)

**EDUCATION**

---

- 2007            Postdoctoral Research Fellowship, Health Psychology  
                  Johns Hopkins University School of Medicine, Division of Pulmonary and Critical  
                  Care Medicine
- 2005            Ph.D., Developmental Psychology (Emphasis: Quantitative Methods)  
                  University of California Riverside
- 2002            M.A., Psychology  
                  University of California Riverside
- 2000            B.A., Psychology  
                  International Christian University, Tokyo, Japan

**PROFESSIONAL EXPERIENCE**

---

- 2016-2017      Adjunct Assistant Professor, Health Promotion and Behavioral Sciences  
                  The University of Texas School of Public Health, Dallas Regional Campus
- 2015-Present    Senior Research Scientist, Professional Services  
                  Children's Health
- 2013-2015      Associate Professor (with tenure) in Psychology  
                  University of South Florida St. Petersburg
- 2007-2013      Assistant Professor in Psychology  
                  University of South Florida St. Petersburg
- 2007-2015      Director, Suncoast Youth and Family Health (SYFAH) Lab  
                  University of South Florida St. Petersburg
- 2005-2007      Postdoctoral Research Fellow, Center for Adherence Research & Center for  
                  Reducing Asthma Disparities, Johns Hopkins University School of Medicine
- 2001-2005      Graduate Student Researcher, University of California Riverside  
                  Southern California Academic Center of Excellence on Youth Violence Prevention;  
                  UCR Add Health Project; Healthy Families Project; College Health Survey Project;  
                  Monitoring College Lifestyle and Smoking Study

## HONORS AND AWARDS

---

2011	Chancellor's Award for Excellence in Teaching, USF St. Petersburg
2011	Distance Learning Course Development Award, USF St. Petersburg
2010, 2011	College of Arts & Sciences Award for Excellence in Teaching, USF St. Petersburg
2009	USF Ambassadors Apple Polishing, Recognition for Outstanding Faculty, University of South Florida
2008, 2010	VIVA Award, USF St. Petersburg Student Disability Services
2007	Behavioral Science Assembly Travel Grant, American Thoracic Society International Conference
2007	Meritorious Student Abstract Award, Society of Behavioral Medicine
2005	Young Investigator Travel Award, 2 <sup>nd</sup> Conference on Emerging Adulthood
2004	Phi Beta Kappa International Scholarship Award
2002	Travel Award, NIDA Child and Adolescent Work Group Mentoring Program
2000-2005	Chancellor's Distinguished Fellowship Award, University of California Riverside
1999	Yuasa & Hosogi Memorial Award (School of Education Valedictorian), International Christian University, Tokyo, Japan

## PROFESSIONAL MEMBERSHIP

---

2010-2015	Society for Pediatric Psychology
2006-present	American Thoracic Society Behavioral Science and Health Services Research Assembly
2010-2011	Society for Research on Nicotine and Tobacco
2008-2015	Adjunct Member, Health Outcomes & Behavior Program, Moffitt Cancer Center
2006-2007	Society of Behavioral Medicine
2001-2005	Society for Research in Child Development
2001-2007	Society for Research on Adolescence

## OTHER TRAINING

---

2018	Grants 101-102 series, UTHealth (Mentor: Ross Shegog, PhD)
2005	Data Analysis Workshop, Johns Hopkins School of Public Health Winter Institute
2004	Summer Program in Quantitative Methods of Social Research, University of Michigan Inter-University Consortium for Political and Social Research: Latent Trajectory/Growth Curve Analysis: A Structural Equation Modeling Approach
2002	NICHD National Longitudinal Study of Adolescent Health (Add Health) Users Workshop
2001	NIDA Child and Adolescent Workgroup Mentoring Program, Society for Research on Adolescence

## RESEARCH INTERESTS

---

- Pediatric asthma disparities and outcomes research
- Health risk behaviors during adolescence and transitions to adulthood
- Application of mindful parenting in managing pediatric chronic illnesses
- Implementation research in pediatric population health settings

## PUBLICATIONS

---

## MANUSCRIPTS

---

**Clutter, M. O.**, Pruitt, S. L., & Tsai, R. (under review). *Household food insecurity and pediatric asthma morbidity*.

**Clutter, M. O.**, O'Campo, P., Appana, S., & Caughy, M. O. (in preparation). *The use of concept mapping to develop a joint children's population health research center*.

**Clutter, M. O.**, & Tsai, R. (in preparation). *The roles of parental depressive symptoms and adolescent decision making competence on parent and adolescent-reported asthma quality of life: A resilience approach*.

**Clutter, M. O.**, Sanders, C., Reingle Gonzalez, J., Jetelina, K., Baidhya, S., & Tsai, R. (in preparation). *Childhood family adversities, parenting support, and child asthma morbidity among ethnically diverse families in North Texas*.

Robertson, B., Williams, S., Kaighan, K., **Clutter, M.**, & Hall-Barrow, J. (in preparation). Secondary cost savings associated with school telehealth.

## SELECT PRESENTATIONS (2005-present)

---

**Peer-Reviewed Conference Presentations** (Note: I served as a senior author for conference presentations first-authored by students, by providing mentorship through conceptualization, data analysis, interpretation and write-up.)

Robertson, B., **Clutter, M. O.** (2018, April). *Secondary cost savings associated with school telehealth*. Paper session to be presented at the American Telemedicine Association 2018 Annual Conference.

Wagner, C. W., **Clutter, M. O.**, & Kridelbaugh, L. (2017, August). *Assessing an asthma severity tool for patients already on controller therapy*. Poster session to be presented at the annual meeting of Association of Asthma Educators Annual Conference, Milwaukee, WI.

- Clutter, M. O.**, Sanders, C., Reingle Gonzalez, J., Jetelina, K., Baidhya, S., & Tsai, R. (2017, May). *Childhood family adversities, parenting support, and child asthma morbidity among ethnically diverse families in North Texas*. Thematic poster session presented at the annual meeting of American Thoracic Society International Conference, Washington, DC.
- Clutter, M. O.**, & Robertson, B. D., Baidhya, S. (2017, April). *Evaluation of a school-based telehealth program delivered to a large Southwestern Metropolitan Area*. Paper session presented at the American Telemedicine Association International Conference & Tradeshow, Orlando, FL.
- Clutter, M. O.**, & Tsai, R. (2016, September). *Household food insecurity and pediatric asthma morbidity: The findings from the 2013 National Health Interview Survey*. Poster session presented at 2<sup>nd</sup> Annual Interdisciplinary Population Health Research Conference, University Park, PA.
- Rogers, P., Kridelbaugh, L., **Clutter, M.O.**, Baidhya, S., Sanders, C., & Morse, R. (2016, August). *A home-based pediatric asthma management education program in partnership with healthcare providers in North Texas: Preliminary findings*. Poster session presented at Association of Asthma Educators Annual Conference, Jacksonville, FL.
- Clutter, M. O.**, Hannum, K., Barrett, J., Huebner, L-A., Van Overloop, E., Pierce, A., Strauss, J., & Demisse, S. (2015, May). *Parental depressive symptoms, adolescent decision making competence, and adolescent asthma quality of life*. Poster session presented at the annual meeting of American Thoracic Society International Conference, Denver, CO.
- Barrett, J., Van Overloop, E., Huebner, L-A., & **Clutter, M. O.** (2015, March). *Caregiver depressive symptoms and asthma management self-efficacy in relation to child asthma outcomes*. Poster session presented at the annual meeting of Southeastern Psychological Association, Charleston, SC.
- Tabaac, A., Luong, T., MacAlister, E., Thurston, A., Carneiro, D., Tomko, T., & **Clutter, M. O.** (2014, March). *Socioeconomic disadvantage and parents' perceived barriers to adolescent asthma self-management*. Poster session presented at the Southeastern Psychological Association, Nashville, TN.
- Clutter, M. O.**, MacAlister, E., Allen, C., Loznianu, O., Tabaac, A., & Hill, E. (2013, April). *Family economic stress, friendship qualities, and adolescent asthma quality of life*. Poster session presented at the National Conference on Pediatric Psychology, New Orleans, LA.
- Chenneville, T., **Otsuki-Clutter, M.**, Hintz, S., & Walsh, A. (2012, August). *Decisional capacity, the doctor-patient relationship, and HIV disease management*. Poster session presented at the American Psychological Association Annual Convention, Orlando, Florida.
- Nembhard, K. M., Ford, K. L., MacAlister, E., & **Clutter, M. O.** (2012, February). *Responsibility and mood in adolescents with asthma*. Poster session presented at the annual meeting of Southeastern Psychological Association, New Orleans, LA.
- Sutter, M., Allen, C. A., Loznianu, O., & **Clutter, M. O.** (2012, February). *Friendship quality, caregiver depressive symptoms, and adolescent asthma morbidity*. Poster session presented at the annual meeting of Southeastern Psychological Association, New Orleans, LA.
- Hill, E. M., & **Clutter, M. O.** (2012, February). *Stress, resilience, and adolescent asthma self-management*. Poster session presented at the annual meeting of Southeastern Psychological Association, New Orleans, LA.
- Sutter, M. E., Nembhard, K. M., & **Clutter, M. O.** (2011, March). *Friendship quality and asthma self-management*. Poster session presented at the annual meeting of Southeastern Psychological Association, Jacksonville, FL.

**Clutter, M. O.**, Tahaney, K.D., & Nembhard, K. M. (2011, May). *The roles of self-efficacy and smoking beliefs in quit attempts and intentions among adolescent daily smokers with and without asthma*. Poster discussion session presented at the annual meeting of the American Thoracic Society International Conference, Denver, CO.

**Clutter, M.O.**, Hill, E., & Luong, T. (2011, April). *The roles of gender, asthma morbidity and nicotine dependence in quit attempts, intentions, and self-efficacy among adolescent daily smokers with asthma*. Poster session presented at the National Conference in Pediatric Psychology, San Antonio, TX.

**Otsuki, M.**, Brown, L., Walter, J., & Yardy, K. (2010, May). *Obesity, depressive symptoms, and smoking among adolescents with asthma*. Poster discussion session presented at the annual meeting of the American Thoracic Society International Conference, New Orleans, LA.

**Otsuki, M.**, Pac, K., & Hurley, A. (2010, February). *Cigarette smoking among adolescents with asthma: The roles of asthma morbidity and depressive symptoms*. Poster session presented at the annual meeting of the Society for Research on Nicotine and Tobacco, Baltimore, MD.

**Otsuki, M.**, Rand, C. S., Butz, A., Riekert, K. A. (2009, May). *Environmental tobacco smoke exposure and the longitudinal trajectories of asthma morbidity among inner-city children*. Poster discussion session presented at the annual meeting of the American Thoracic Society International Conference, San Diego, CA.

**Otsuki, M.**, Rand, C. S., Butz, A., & Riekert, K. A. (2008, May). *Exposure to community violence prospectively predicts asthma morbidity and non-adherence among inner-city children*. Poster discussion session presented at the annual meeting of the American Thoracic Society International Conference, Toronto, Canada.

**Otsuki, M.**, Rand, C. S., & Riekert, K. A. (2008, April). *Caregiver depressive symptoms attenuates the long-term effects of home-based asthma self-management interventions for inner-city children*. Poster session presented at the National Conference in Child Health Psychology, Miami Beach, FL.

**Otsuki, M.**, Kalesan, B., Butz, A., Rand, C. S., & Riekert, K. A. (2007, May). *Longitudinal evaluation of a randomized controlled trial of an adherence promoting intervention for inner-city children*. Paper session presented at the annual meeting of the American Thoracic Society International Conference, San Francisco, CA.

Riekert K.A, **Otsuki, M.**, Borrelli B, Bilderback A, Murphy K, & Rand C. S. (2007, April). *The development of motivational interviewing measures for inner-city adolescents with asthma: Preliminary results*. Poster session presented at the Regional Child Health Psychology Conference, Cincinnati, OH.

**Otsuki, M.**, Butz, A., Rand, C. S., & Riekert, K. A. (2007, March). *Longitudinal relationship between caregiver depressive symptoms and asthma morbidity among inner-city African American children*. Paper session presented at the annual meeting of the Society of Behavioral Medicine, Washington, DC.

Walton, K., **Otsuki, M.**, Rand, C. S., Bollinger, M., Ramogopal, M., & Riekert, K. A. (2006, June). *Access to quality asthma care and family-physician communication to improve asthma outcomes for children in Head Start: A description of the intervention and preliminary findings*. Paper session presented at the annual meeting of the National Head Start Association, Washington, DC.

Frazier, L., **Otsuki, M.**, Kalesan, B., Butz, A., Rand, C. S., & Riekert, K. A. (2006, May). *Family structure, family environment, and adherence to inhaled corticosteroid therapy among inner-city children with asthma*. Paper session presented at the annual meeting of the American Thoracic Society International Conference, San Diego, CA.

**Otsuki, M.,** Kalesan, B., Rand, C. S., & Riekert, K. A. (2006, May). *School violence exposure and asthma exacerbations in adolescents*. Poster discussion session presented at the annual meeting of the American Thoracic Society International Conference, San Diego, CA.

**Otsuki, M.,** Riekert, K. A., Nguyen, D., & Tinsley, B. J. (2006, March). *A daily process model of cigarette use in social contexts among Asian American college smokers*. Paper session presented at the annual meeting of the Society of Behavioral Medicine, San Francisco, CA.

**Otsuki, M.,** Tkach, C., Tinsley, B., Kennedy, C., & Chao, C. Y. (2005, August). *Psychosocial predictors of substance use among Asian American college students*. Poster session presented at the American Psychological Association Convention, Washington, DC.

**Otsuki, M.,** Chao, R., & Hanson, T. (2005, February). *Alcohol use and heavy drinking among Chinese and Filipino American emerging adults: The roles of social transitions, perceived psychosocial maturity, and depressive symptoms*. Poster session presented at the 2<sup>nd</sup> Conference on Emerging Adulthood, Miami, FL.

### **Colloquium Presentations**

**Clutter, M. O.** (2018, March). *Psychosocial stressors and pediatric asthma: Towards the development of a resilience-promotion program*. Guest lecture presented at Maternal and Child Health Seminar, UT School of Public Health.

**Clutter, M. O.** (2017, May). *Child family adversities, parenting support, and child asthma morbidity among ethnically diverse families in North Texas*. Paper presented at a symposium session entitled "Using survey data to understand childhood health disparities in DFW: Analyses of 2015 Children's Health Assessment and Planning Survey" (Co-presenters: Sanders, C., Reingle Gonzalez, J., & Jetelina, K.). Children's Health Children's Medical Center Research Week, Dallas TX.

**Clutter, M. O.** (2016, October). *Connecting the dots: Merging population health science with a mission to improve children's health*. Paper presented at UT School of Public Health Brown Bag Series, Dallas, TX.

**Clutter, M. O.** (2016, February). *How to keep kids with asthma healthy: Trials, errors, and lessons learned*. Paper presented at UT School of Public Health Brown Bag Series, Dallas, TX.

**Clutter, M. O.,** Hannum, K., Barrett, J., Varner, K., Huebner, L-A., Van Overloop, E., & Pierce, A. (2014, November). *Does friendship quality buffer the association between family economic stress and asthma quality of life among adolescents?* Poster presented at the 2014 ACH/JHM Research Symposium, All Children's Hospital, St. Petersburg, FL.

Chenneville T, **Clutter, M. O.,** Walsh, A., Hintz, S., Emmanuel P, Lujan-Zilberman J, & Rodriguez C. (2014, January). *The role of decisional capacity in medication adherence among youth with HIV*. Poster presented at the 1<sup>st</sup> HIV Research and Practice Symposium, University of South Florida Department of Pediatrics.

**Clutter, M. O.** (2011, September). *Pediatric asthma: What does psychology have to do with it?* Paper presented at Psychological Science Organization Colloquium Series, USF St. Petersburg.

**Clutter, M. O.** (2011, April). *Adolescent storms and asthma: Preliminary findings from Adolescent Asthma Basic Care (A2BC) study*. Paper presented at All Children's Hospital Research Seminar Series.

**Otsuki, M.** (2009, May). *Asthma self-management for kids: Lessons learned from pediatric psychology research*. Presented at the 8<sup>th</sup> Annual Asthma Family Day, USF St. Petersburg.

## **Research Support**

---

### **Ongoing Research Support**

Children's Medical Center Foundation  
Children's Health System of Texas

Clutter

2017-2020

Grand Aides: The mixed-methods implementation and evaluation of Grand Aides Home Visiting Program Implementation at Children's Health Pediatric Group  
The purpose of this study is to evaluate the implementation and effectiveness of Grand-Aides telehealth-enhanced home visiting program for reducing inappropriate ED visits, improving infant and maternal health outcomes, and preventing obesity in pediatric primary care settings.  
Role: Principal Investigator

### **Completed Research Support**

New Investigator Research Grant  
University of South Florida St. Petersburg

Otsuki (PI)

01/01/2008-12/31/2008

Risk and Resilience in Adherence to Preventive Asthma Therapy among Young Adolescents  
The goal of this study is to describe adolescent- and disease-specific risk and protective factors associated with adherence to preventive asthma therapy among early adolescents.  
Role: Principal Investigator

USF Collaborative Grant  
University of South Florida

Chenneville (PI)

07/01/2008-09/30/2009

The Relationship between Decisional Capacity, the Doctor-Patient Relationship and HIV Disease Management among Youth  
Role: Co-Principal Investigator

5R01 HL073833  
NHLBI

Rand (PI)

09/30/2004-05/31/2008

Improving Asthma Care for Minority Children in Head Start  
This study is a randomized trial of interventions to reduce asthma morbidity and improve asthma management among Head Start students aged 3 and 4 years with symptomatic doctor-diagnosed asthma.  
Role: Postdoctoral Researcher

TRDRP 12DT-0157  
University of California Tobacco-Related Disease Research Program Dissertation Fellowship  
Latino and Asian American College Students' Smoking  
The goal of this project was to identify cultural, social and psychological predictors of cigarette use among Latino and Asian American college students  
Role: Principal Investigator

UC Graduate Dean's Dissertation Research Grant  
Otsuki (PI)

07/01/2004-08/31/2005

A Daily Process Model of Cigarette Use in Social Contexts Among Asian American College Smokers  
The goal of this project was to examine the roles of social contexts and smoking motives in cigarette use in the daily lives of Asian American college smokers using electronic diaries  
Role: Principal Investigator

### **Grants Under Review**

2018

Principal Investigator, William T Grant Foundation Officer's Research Grant, Uncovering Youth Asthma Disparities: Youth, Family, and Neighborhood Factors associated with Asthma Outcomes among Primary Care Patients with Asthma.  
Status: Submitted August 1, 2018

Requested direct costs: \$49,998 (effort 15%)  
Proposed dates: October 2018-September 2020

### **Unfunded Grants**

- 2018 Principal Investigator, UTSPH PRIME, Uncovering Childhood Asthma Disparities: Child, Family, and Neighborhood Factors associated with Asthma Outcomes among Primary Care Patients with Asthma. Requested \$25,000.
- 2017 Co-Investigator, National Institutes of Health R21, The Mixed-Methods Development and Multilevel Feasibility of an Electronic Medical Record bullying screener for obese pediatric patients (PI: Katelyn Jetelina, PhD). Requested \$275,000 (effort 20%)
- 2017 Co-Investigator, Annie E. Casey Foundation, Infusing Culturally Responsive Evaluation Practices: The Impact of Social Determinants of Health on Potentially Preventable Readmissions in a Pediatric Healthcare System in North Texas (PI: Corron Sanders, PhD), Requested \$19,715 (subcontract; effort 2%)
- 2017 Co-Investigator, Robert Wood Johnson Foundation, Evaluating the impact of Texas HB 1878 on School-Based Telehealth Utilizations (PI: Brian Robertson, PhD), Requested \$93,000 (subcontract; effort 10%)
- 2013 Principal Investigator, Flight Attendant Medical Research Institute Clinical Innovator Award, *Secondhand Smoke Exposure in College Students with Asthma*. LOI submitted.
- 2011 Principal Investigator; National Institutes of Health R15 AREA (Academic Research Enhancement Award), *Risk Perception among Adolescent Smokers with Asthma*. \$445,677. Scored 53 on initial submission.
- 2008 Co-Principal Investigator, National Institutes of Health R03, *The Relationship Between Decisional Capacity, the Doctor-Patient Relationship, and HIV Disease Management among Youth* (PI: Tiffany Chenneville, PhD). \$147,000. unscored.
- 2008 Co-Investigator, National Institutes of Health P30, *Development and Validation of a Communication and Participatory Decision-Making Aid for Asthma Self-Management* (PI: Maureen George, PhD).
- 2006 Principal Investigator, American Lung Association Senior Research Fellowship, *Exposure to Violence and Asthma Morbidity Among Inner-City African American Children: A Risk and Resilience Approach*. \$65,000.

### **Other Research Proposals (internal/non-submitted proposals)**

- 2017 Principal Investigator, A Mixed-Method Implementation Evaluation of Grand-Aides® Home Visiting Program for the Parents of Infants at Children's Health Pediatric Group: *Baby and Me - Supporting Parents for Healthy Babies*
- 2017 Principal Investigator, A Mixed-Method Implementation Evaluation of Grand-Aides® Home Visiting Program for the Parents at Children's Health Pediatric Group: *Right Care, Right Place: Taking Charge of Your Child's Health* (Co-PI: Katelyn Jetelina, PhD)
- 2017 Co-Principal Investigator, A Mixed-Method Implementation Evaluation of Grand-Aides® Home Visiting Program for Promoting Healthy Lifestyles among Toddlers and Children to Prevent Obesity at Children's Health Pediatric Group: *Go Baby Go! Helping Parents Grow Healthy Children* (Co-PI, Sarah Barlow, MD MPH)

- 2016 Principal Investigator, Effectiveness and Implementation of the Grand-Aides® Program for Medically-Complex Children in General Pediatrics Complex Chronic Care Clinic, Children's Health System of Texas (PIs: Ray Tsai, MD; Chad Brands, MD; Michiko Clutter, PhD)
- 2016 Research Proposal Writing Team, *Project AHEAD (Advancing Healthcare Education in ACEs and Development) Physical Education Program*, Children's Health System of Texas (PI: Thomas Zeller, MD)

## TEACHING

---

### University of South Florida St. Petersburg

- PSY 3204 Psychological Statistics
- PSY 3213 Research Methods in Psychology
- CLP 4314 Health Psychology (face-to-face, distance learning)
- CLP 4433 Psychological Tests & Measurement
- PSY 4931 Undergraduate Seminar in Prevention Science
- CLP 6318 Graduate Seminar in Prevention Science & Health Psychology

### University of California Riverside

- PSYC 179 Health and Behavior Change

## STUDENT MENTORSHIP

---

### UTSPH Advisees

- 2018-present Kelsey Craker (MPH in Health Promotion & Health Education)
- 2018-present Javaria Haleem (MPH in Health Promotion & Health Education)
- 2017-present Divya Ramdas (MPH in Health Promotion & Health Education)
- 2018-present Teresa Yacoub (DrPH in Health Promotion & Behavioral Sciences)
- 2017-present Bethany Grubbs (PhD in Health Promotion & Behavioral Sciences)

### UTSPH Practicum Students

- Summer 2018 Christine Park (MD/MPH), *Evaluation of a Parenting Seminars for Head Start and Early Head Start parents of Child Care Group*, Dallas Children's Advocacy Center
- Fall 2018 Divya Ramdas (MPH), *Child and Adolescent Mental Health Internship*, Children At Risk

### UTSPH Independent Study
